

Application for Individual Membership of the International Association of Egyptologists

I should like to apply for membership in the *International Association of Egyptologists*
(please mark as required)

Professional Membership []

(Open to all scholars having an advanced degree in Egyptology, or in another scientific field but making significant contributions to Egyptology. Professional members have a vote in the General Assembly and the right to offer papers for presentation at the International Congresses of Egyptologists.)

Associate Membership []

(Open to non-Egyptologists with a special interest in Egyptology and/or associated with amateur societies, with the exception of anyone involved in the commerce of antiquities. Associate members have no vote in the General Assembly and no right to present papers at the International Congresses of Egyptologists.)

Student Membership []

(Open to students at recognised educational institutions, following a degree program in Egyptology. Student members have no vote in the General Assembly but do have the right to present papers at the International Congresses of Egyptologists.)
